Checkers

AI Factory Limited

Dating back to the Egyptians of 3,500 years ago, the classic game of Checkers has long held its reign as one of the world's most popular board games, and AI Factory's Checkers Android app brings you this fun favorite with a combination of technical smarts and timeless style.

Featuring graphics that evoke a refined tradition, two boards and piece sets, and presenting ten levels of difficulty, AI Factory's Checkers also offers such in-game features as two-player hotseat, user stats against each level, hints, and undo. Additionally, it also supports both non-compulsory captures and compulsory captures and correctly plays the common 2K v. K – an essential function for quality checkers play.

Product Highlights:

- Ten levels of difficulty, from beginners to experts.
- Features two-player hotseat, user stats against each level, hints, and undo.
- Two boards and piece sets.
- Supports compulsory and non-compulsory captures and correctly plays 2K v. K.

Chess

AI Factory Limited

Are you a grandmaster in the making, or are you already a champion chess player? AI Factory's exemplary Chess app for Android presents you with an unparalleled gaming experience whatever your skill level. Featuring traditionally sophisticated graphics and boasting ten peerless levels of difficulty, from novice to expert, this

timeless game of intellectual warfare offers untold hours of challenging, stimulating fun.

In addition to offering three chess boards and piece sets, AI Factory's Chess utilizes the Treebeard Chess Engine, creating a uniquely human-like opponent. And with such in-game features as stats, timers, hints, and handicaps, this app has everything a chess enthusiast could ever want.

Product Highlights:

- Ten levels of difficulty, from Novice to Expert.
- Utilizes the Treebeard Chess Engine.
- "Show CPU Thinking" feature helps to develop and sharpen chess skills.
- Offers three different boards and set pieces.

City Mysteries HD

Selectsoft Publishing

Alone in a strange city, you are surrounded by mysterious objects everywhere you turn. Can you recover all the lost items before time runs out? Search buildings, streets, landmarks, and more as you seek and find hidden

objects in New York, Paris, Moscow, and London!

Delve into detailed indoor and outdoor scenes filled with over 1,000 carefully placed items, plus enjoy a challenging sliding tile puzzle for each city. As you unlock each new scene, you'll be drawn deeper into the hidden object hunt. Are you ready to travel the world with City Mysteries?

Product Highlights:

- Search for over 1,000 hidden objects.
- Featuring scenes set in New York, Paris, Moscow, and London.
- Immersive art and evocative sound effects.
- Fun and addictive seek-and-find gameplay.

Sudoku

AI Factory Limited

Whether you're a Sudoku fanatic or someone who loves brain-boggling puzzles, AI Factory's Sudoku Android app offers countless hours of perplexing puzzle fun. Featuring engaging graphics and smooth interface for unparalleled game play, you'll find yourself completely immersed in confounded concentration.

Boasting 500 Sudoku puzzles and five levels of difficulty – from easy through medium to hard and extreme – AI Factory's Sudoku also includes two sets of Sudoku board art and fonts, statistics tracking that track the fastest, and average completion times and completion percentage.

Product Highlights:

- Features 500 puzzles and five levels of difficulty.
- Two sets of Sudoku board art and fonts.
- Statistic tracking and undo function.
- Ultra-smooth interface and graphics.
