## » FrostGuard

### PROTECTIVE WINDSHIELD COVER

#### INSTALLATION INSTRUCTIONS

1. Place the elastic loop over the driver's side mirror. Unroll the FrostGuard as you walk around the front of the vehicle.
2. It may be necessary to slightly stretch the elastic loop as you walk in front of the vehicle to attach to the passenger side mirror.
3. When you reach the passenger's side mirror, slide the other elastic loop over the mirror.
4. Lightly tug on the FrostGuard to center the unit on the windshield. Check the top of the piece to make sure it is securely fastened to the vehicle and that the magnets are properly aligned with the roof of the vehicle.
