

Shark[®]

ROTATOR[™]

PROFESSIONAL

Lift-Away[®]

Shark's unique, premium attachments enhance the Rotator[®] vacuum's versatility. Each tool has been designed to clean all around your home.

Dusting Brush

Ideal for: hard and upholstered surfaces

Dusts and cleans a multitude of surfaces, including stuck-on dirt and debris from carpets and upholstery.

Upholstery Tool

Ideal for: upholstered surfaces

Perfect for grabbing pet hair, lint, and large particle debris from furniture and other upholstered surfaces.

Pet Hair Power Brush

Ideal for: upholstered surfaces and furniture

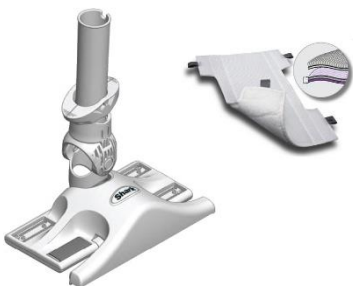

Air driven brush roll picks up the most stubborn pet hair and debris from couches, chairs, and more.

Crevice Tool

Ideal for: tight spaces

Clean dust and debris from hard to reach areas like between couch cushions, or wall and ceiling corners up high.

Dust-Away Hard Floor Attachment with 2 Microfiber Pads

Ideal for: hard floors

Vacuums large debris and wipes away fine dust in one easy step. The microfiber pads are reusable and machine washable!
