### ACCESSORIES

#### **Dust-Away™ Hard Floor Attachment**

Ideal for... Hard Floor Surfaces, Large & Small Particle Pick Up

Cleans dry bare floor surfaces by picking up dry debris such as dirt, crumbs, cereal and dust. The micro-fiber pad is washable in warm water with liquid detergent.

#### **Flexible Crevice Tool**

Ideal for... Hard-To-Reach Areas Above and In-Between Furniture

Crevice tool that extends and flexes to an 18" length to access corners, baseboards, tight spaces or ceilings. Rubberized tip prevents scratches on all surfaces.

#### **Upholstery Brush**

Ideal for... Pet Hair, Large Particle Pick Up

Picks up pet hair and large piles of debris from mattresses, couches, curtains and other delicate fabrics such as lampshades, shelves, tables, walls, etc.

### **Dusting Brush**

Ideal for... Dusting Bare Surfaces

For dusting a multitude of surfaces such as shelves, tables, walls, baseboards, etc.

### **Accessory Bag**

Convenient storage bag for vacuum accessories.

### **Wall Mount**

Convenient storage off the floor. Hang the vacuum and accessory bag from this wall mount.

### **On-Board Storage Clip**

Removable accessories clip attaches to the pole, can store up to 2 accessories at a time, ready to use while cleaning or just for storage.
