### Crevice Duster Tool

- Ideal for... Hard-To-Reach Areas Above and In-Between Furniture, Bare Surfaces
- Provides two in one with extended reach into small spaces as well as dusting bare surfaces

### New Pet Small Power Brush

- Ideal for... Pet Hair, Upholstery, Stairs
- Powerful and versatile tools provide quick access to hard to reach areas and easily lift pet hair and other ground-in dirt from carpeted stairs, upholstery and other surfaces

### Upholstery tool

- Ideal for... Pet Hair, Large Particle Pick Up
- Picks up pet hair and large piles of debris from mattresses, couches, curtains and other delicate fabrics such as lampshades, shelves, tables, walls, etc.

### Hard Floor Genie + Microfiber Pad

- Ideal for... Hard Floor Surfaces, Large & Small Particle Pick Up
- Durable enough to pick up big crumbs yet gentle enough to delicately dust hardwood and tile floors. Vacuums large debris and wipes away fine dust in one easy step. Comes with (1) one Reusable Microfib
