#### **Dusting Brush**

Great for dusting a multitude of surfaces such as shelves, tables, baseboards, window/door frames, and much more. Turn the brush head to adjust the angle to the surface you're cleaning.

#### **Pet/Upholstery Tool**

Perfect for grabbing pet hair and lint from furniture and other upholstered surfaces.

#### **12" Crevice Tool**

Cleans in between tight spaces.

#### **Hard Floor Genie™ + Microfiber Pad**

Combines straight suction for large debris pick-up with a washable, reusable microfiber pad that dusts floors, removing fine debris.

#### Home & Car Detail Kit

This assortment of micro tools is designed to clean keyboards, car interiors and around delicate objects (i.e. vases, figurines, etc.).

#### On-board accessories clip

Store your two favorite accessories on the vacuum wand for continuous cleaning or for additional storage. This clip is removable, giving you the flexibility to use it or remove it.

#### Accessory Bag

Keep accessories stored in one place with this draw string accessory bag.

#### Wall Mount

Hang your vacuum on the wall for convenient storage off the ground. The wall mount comes with screws, anchors and mounting instructions.
