DELUXE PRO HANDHELD VACUUM

Rocket

Mini Motorized Brush

The power of a full size upright in the palm of your hand.

Picks up pet hair, loose debris, and cleans dander out of upholstery and surfaces.

DUSTER CREVICE

Two cleaning tools in one.

The crevice tool gives you extended cleaning reach for small spaces, while the dusting brush cleans a multitude of surfaces.

HOME & CAR DETAIL KIT

This assortment of micro tools is designed to clean keyboards, car interiors and around delicate objects (i.e. vases, figurines, etc.)

FLEXIBLE HOSE

Stretch this extension hose to clean those hard-to-reach spaces. Attach the preferred accessory depending on what you are cleaning.

(*Note: Motorized Brush is not compatible)

ACCESSORY BAG

Keep accessories stored in one place with this draw string accessory bag.
