### What's Included?

#### Crevice Duster

A 2-in-1 tool that offers extended reach into small spaces and dusting on bare surfaces.

**Ideal for:** Bare surfaces and hard-to-reach areas above and in-between furniture.

#### Pet Multi-Tool

A 2-in-1 tool: A dusting brush to clean a multitude of surfaces and an upholstery tool for the stubborn pet hair and lint from furniture.

**Ideal for:** Pet hair and lint on upholstered surfaces.

#### Caddy

Transforms your vacuum into a fully powered canister, giving you the freedom to roll the pod along while keeping cleaning tools close by.

**Ideal for:** Convenience to move from room to room with ease.

### Additional Tools

#### Dust-Away Pro with a Microfiber Pad

The Dust-Away™ Pro is durable enough to vacuum the big crumbs but is gentle enough to wipe away fine dust on hardwood and tile floors with the washable and reusable microfiber pad. Its swivel motion allows easy access to hard-to-move appliances and furniture

**Ideal for:** Fine debris and big crumbs on bare floors

#### Pet Power Brush

A powerful and versatile tool that provides quick access to hard-to-reach areas and easily lifts pet hair and other ground-in dirt from carpeted stairs, upholstery and other surfaces.

**Ideal for:** Pet hair, Upholstery, Stairs

#### Under Appliance Wand

Extend to access areas under hard-to-move appliances and furniture. Can also flip extension upside down to clean underside of appliances

**Ideal for:** Underneath appliances and furniture
