ALWAYS CHECK WITH YOUR PHYSICIAN BEFORE STARTING ANY EXERCISE PROGRAM Everyone, especially pregnant women, must consult their physicians before beginning any program, or attempting any exercise activities portrayed on the Instructional or the Workout DVD. Not all exercise plans are suitable for everyone. Individuals with uncontrolled high blood pressure, glaucoma, and women currently pregnant must consult with their physician prior to starting the BodyGym program. This or any exercise program may result in injury. Please discontinue any exercise that causes you pain or severe discomfort and consult a medical expert. The instruction and advice presented in this DVD are in no way intended as a substitute for medical counseling.
