Everyday doesn’t have to be ordinary

Now you can do more and have more fun without spending more. The HP G72 notebook PC features the latest technology and enhanced security right out of the box for the perfect balance of performance, connectivity, and worry-free computing. With its clean design and textured HP Imprint finish in charcoal, the HP G72 stands apart.

Freedom to do what you love.
With a high-definition 17.3" diagonal display, the G72 notebook gives you ample space to surf the web, catch up on your favorite news, or watch movies. Store your photos, music and videos on a large hard drive and stay connected with wireless LAN. A newly redesigned full-size keyboard and touchpad provide enhanced comfort for whatever you do.

• Intel® Core™ i3 processor with 4-way Multi-Task Processing makes it faster to work on multiple applications at the same time by allowing each core of your processor to work on two tasks simultaneously.
• Intel® UMA HD graphics are made for the way you play.
• Chat face to face with the built-in webcam and microphone.
• Display your photos and videos on HD TVs with an HDMI port (cable sold separately).
• Transfer photos from your digital camera in seconds with a 5-in-1 media card reader. Then conveniently upload your photos to Snapfish to edit, share, print and use in calendars, cards, flipbooks and more.
• Get up to 5 hours of life with the 6-cell 47WHr Li-Ion battery.

Ideal For…
With a great balance of productivity, value, and reliability, the HP G72 notebook offers families and students all the right stuff to run productivity applications, enjoy entertainment and surf the web.

Relax With 24/7 Support
Enjoy the lifetime use of HP Support Assistant to keep your PC up to date, troubleshoot problems, and get assistance when you need help. While your PC is within Warranty, HP Care Pack Support gives you access to complimentary help whichever way you prefer.

• From your desktop: Click the HP Support Assistant icon for quick access to automated maintenance, preinstalled content, diagnostic tools, and multiple assistance options.
• By telephone: In the U.S., call HP at 1.800.HP.INVENT (1.800.474.6836).

To continue complimentary access to support, you can extend your Standard Warranty with an HP Care Pack service. Visit www.hp.com/go/totalcare for your choice of plans. Business Week ranked HP the number one technology company for customer service (April 2009).

Look good, feel good.
Who says affordable can’t be stylish? The G72 notebook’s next-generation design features a unique matte HP Imprint finish and fingerprint-resistant textured pattern, as well as a matching protective sleeve and mouse options. Made with the environment in mind, the G72 includes a high-definition LED screen for a clear, crisp picture that saves energy and helps protect the earth.
Windows®. Life without Walls.™
HP recommends Windows 7.

VISIT WWW.HP.COM FOR MORE DETAILS!

(1) Microsoft® and Windows® are registered trademarks of Microsoft Corporation. This system may be upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See http://www.microsoft.com/windows/windows7/ for details.

(2) 64-bit computing on Intel architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers and applications enabled for Intel 64 architecture. Processors will not operate (including 32-bit operation) without an Intel 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. See www.intel.com/info/em64t for more information. Dual Core is designed to improve performance of certain software products. Check with the software provider to determine suitability. Not all customers or software applications will necessarily benefit from use of this technology.

(3) Shared memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs.

(4) Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 GB Double Sided – Version 1.0 media.

(5) Actual speeds may vary. Don’t copy copyright-protected materials. Double Layer is a new technology. Double Layer media compatibility will widely vary with some home DVD players.

(6) Battery life will vary by configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See MobileMark® battery benchmark www.bapco.com/products/mobilemark2007 for additional details. Support options are subject to change. Includes reduced-functionality versions of Word 2010 and Excel 2010 with advertising. Internet access required and sold separately. Purchase an Office 2010 Disc or Product Key Card for full-featured Office. Office Internet access required and not included. This PC includes a FREE 30 day subscription of Norton Online Backup. To activate, simply click on the Windows Start button and launch Norton Online Backup. Actual product may vary from image shown on datasheet.

(7) 2010 Hewlett-Packard Development Company, L.P. The information contained herein is subject to change without notice. The only warranties for HP products and services are set forth in the express warranty statements accompanying such products and services. Nothing shall be construed as constituting an additional warranty. HP shall not be liable for technical or editorial errors or omissions contained herein.
