

SAFETY INFORMATION FOR CITY BONFIRES

This Safety Information Card contains important instructions, warnings, and safety procedures that must be understood BEFORE lighting the City Bonfire. Failure to review and understand the ENTIRE CARD and all WARNINGS on the product prior to use could result in serious injury or death. Read all safety instructions on your City Bonfire at www.citybonfires.com/pages/fire-and-safety-warning.

WARNING

BURN HAZARD. The City Bonfire tin gets very hot and should be placed on a safe non-burnable surface like a trivet. Keep combustible material at least 4 feet away from the top and sides of a burning City Bonfire. Always use caution when burning.

City Bonfire will be extremely hot when in use. Never attempt to touch or move your City Bonfire during use or before it has completely cooled down.

DO NOT EXPOSE TO WATER. Store with lid on.

CARBON MONOXIDE HAZARD. Outdoor use only. Never use in an enclosed space such as a camper, tent, vestibule, car, or home.

CHILD SAFETY HAZARD. This product is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience or knowledge, unless they have been given supervision or instruction concerning use of the product by a person responsible for their safety.

HOW TO SAFELY LIGHT YOUR CITY BONFIRES

Light your City Bonfire with a torch lighter or a candlestick lighter. It will be very difficult to light with matches.

Start at the corner of each briquette and hold the flame to it until it lights. Please hold the flame to each briquette for at least 30 seconds or until lit.

If the briquettes have a slight wax layer making it difficult to light, you can use scissors to cut them to release the fibers.

To extinguish your City Bonfire please slide the lid over the flame.

You can relight your City Bonfire for a total burn time of 3 to 4 hours.

Made with FDA food grade nontoxic soy wax. Please burn for 20 minutes before roasting marshmallows.

Discontinue use when only 1/2 inch of wax remains.
