

Barlowe:

Barlowe is an exciting, new transitional pattern with beautiful textured detail. Suited perfectly for both contemporary and traditional use. The rounded handles on this continental sized pattern offers mirrored border inside which is a textural, almost hammered design. Inspired from a variety of top selling Lenox flatware designs, this jewelry for your table will be sure to have your guests talking. Composed of 18/10 stainless steel this pattern is dishwasher safe.

Middleton:

Middleton's squared off handle is an understated interpretation of many of Lenox's contemporary patterns. Sleek and with a textured V on the base of the handle, Middleton brings life to an other wise simple, squared off design. The clean lines of this pattern will work in both traditional and contemporary settings. Continental sizing. Made of 18/10 stainless steel this set is dishwasher safe and will add a touch of elegance to any table setting.

Hartleigh:

Hartleigh offers a rounded handle with a delicate knot at the base of the handle. Sophisticated yet subtle, the simple detail elevates this pattern's appeal. Mirror finish with a border on the handle that comes together to form the knot at the base. Updated design of many archive Lenox patterns, this is traditional without being fussy. Continental sizing. Made of 18/10 stainless steel this pattern is dishwasher safe.
