Your help to sustain the environment is appreciated!

The Warranty

This product is guaranteed by T-fal for 1 year against any manufacturing defect in materials or workmanship, starting from the initial date of purchase. The manufacturer's warranty by T-fal is an extra benefit which does not affect consumer's Statutory Rights.

The T-fal warranty covers all costs related to restoring the proven defective product so that it conforms to its original specifications, through the repair or replacement of any defective part and the necessary labor. At T-fal's choice, a replacement product may be provided instead of repairing a defective product. T-fal's sole obligation and your exclusive resolution under this warranty are limited to such repair or replacement.

Conditions & Exclusions

The T-fal warranty only applies within USA, Canada & Mexico, and is valid only on presentation of a proof of purchase. Full address details for each country's authorized service center are listed on the T-fal website (www.tefal.com) or by calling the appropriate telephone number listed below to request the appropriate postal address. T-fal shall not be obligated to repair or replace any product which is not accompanied by a valid proof of purchase.

This warranty will not cover any damage which could occur as a result of misuse, negligence, failure to follow T-fal instructions, use on current or voltage other than as stamped on the product, or a modification or unauthorized repair of the product. It also does not cover normal tear and wear, maintenance or replacement of consumable parts, and the following:

- using the wrong type of water or consumable
- scaling (any de-scaling must be carried out according to the instructions for use);

This warranty does not apply to any product that has been tampered with, or to damages incurred through improper use and care, faulty packaging by the owner or mishandling by any carrier.

The T-fal manufacturer's warranty applies only for products purchased and used in USA, Canada & Mexico. Where a product purchased in one country and then used in another one:

- a) The T-fal guarantee duration is the one in the country of usage of the product, even if the product was purchased in another listed country with different guarantee duration.
- b) The T-fal guarantee does not apply in case of non conformity of the purchased product with the local standards, such as voltage, frequency, power plugs, or other local technical specifications
- c) The repair process for products purchased outside the country of use may require a longer time if the product is not locally sold by T-fal
- d) In cases where the product is not repairable in the new country, the T-fal guarantee is limited to a replacement by a similar product or an alternative product at similar cost, where possible.
