

FRONT

thank you

I'm delighted that you have selected an MCM by MarkCharles Misilli item for your home. I've traveled the world in search of the next best thing for the kitchen or as I like to say, the "better mousetrap", I've designed my MCM collection to be just that!

This line provides ideal entertainment solutions, and is the perfect complement to any Cook's collection. I use these items in my own home because they work, are made of quality materials and look beautiful. It brings me great joy to know that you and your family will love using my MCM products for years to come.

*As my European grandma used to say before every meal, **"DEEG-IN"!***

S2 Thermal Hot/Cold Serving Bowls ***use and care***

Use

Before using: Remove all packaging materials and labels. Wash in warm, soapy water, rinse and dry.

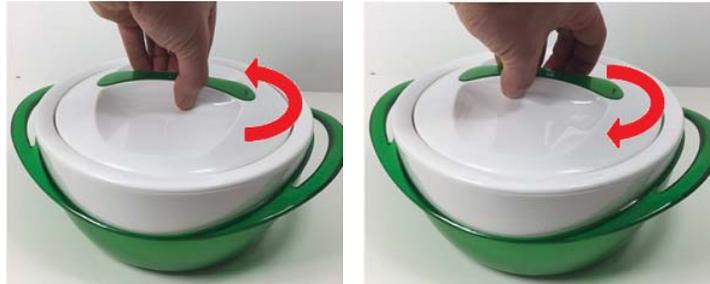

- BPA free plastic perfect for indoor and outdoor entertaining.*
- Locking lids with large ergonomic carry handles.*
- Insulated with stainless steel interiors to help maintain the temperature of food inside.*
- Keeps foods hot or cold for up to 6 hours (temperature of room and environmental factors will effect length of time).*
- For best cold results: pre-cool the stainless steel by filling bowl with a combination of ice and water and discard.*
- For best hot results: pre-heat the stainless steel by filling bowl with boiling water and discard.*

- DO NOT USE any electric utensils such as hand mixers in the pan. Do not cut food or use sharp utensils such as knives directly in the pan.*
- Not for use in freezer, oven, or on stove top.*
