

WARRANTY

This product is warranted for 1 year from the date of purchase against defects in material and workmanship. This warranty is not transferable. Keep the original sales receipt. Proof of purchase is required to obtain warranty performance. During this period, the product that, upon inspection by an authorized service, is proved defective, will be repaired or replaced, at our option, without charge to the customer. If a replacement product is sent, it will carry the remaining warranty of the original product.

This warranty does not apply to any defect arising from a buyer's or user's misuse of the product, negligence, failure to follow instructions noted in the user's manual, use on current or voltage other than that stamped on the product, wear and tear, alteration or repair not authorized by the manufacturer, or use for commercial purposes. There is no warranty for glass parts, glass containers, filter basket, blades and agitators, and accessories in general. There is also no warranty for parts lost by the user.

ANY WARRANTY OF MERCHANTABILITY OR FITNESS WITH RESPECT TO THIS PRODUCT IS ALSO LIMITED TO THE ONE YEAR LIMITED WARRANTY PERIOD.

Some states do not allow limitation on how long an implied warranty lasts or do not allow the exclusion of incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

If the appliance should become defective within the warranty period and more than 30 days after date of purchase, do not return the appliance to the store: often, our Consumer Service Representatives can help solve the problem without having the product serviced. If servicing is needed, a representative can confirm whether the product is under warranty and direct you to the nearest service location.

If this is the case, bring the product, or send it, postage prepaid by the user (all customers are responsible for the initial shipment back to the warranty center), along **with proof of purchase** and indicating a **return authorization number** given by our Consumer Service Representatives, to the authorized Service Center. Please email at **service@kalorik.com** or call our Customer Service Department for the address of the nearest authorized Service Center.

If you send the product, please include a letter explaining the nature of the claimed defect.

If you have additional questions, please call our Consumer Service Department (please see below for complete contact information), Monday through Friday from 9:00am - 5:00pm (E.T.) Please note hours are subject to change.
