

WINE & CHAMPAGNE SEALER

1. Insert sealer in mouth of bottle
2. Firmly hold base of sealer and turn knob clockwise. When you feel resistance, the seal is tight.
3. To remove sealer, firmly hold base and turn counterclockwise to pull from bottle

Caution: Pressure may build up in bottle. Hold bottle away from face when removing sealer.

SUPER AERATOR

1. Insert aerator into wine bottle with firm pressure to make sure aerator is secure in bottle. Then pour into wine glass.
2. After pouring, remove aerator from bottle

Care Instructions: All products are hand wash only
