

HANGING COOKBOOK HOLDER

FEATURES

- Closed – 16" x 2" x 2.5" ; Open – 18.5" x 9.5" x 9.5"
- Soft tipped legs and leg supports to prevent your cookbook holder from sliding on the counter
- Fold-away hanger
- Innovative cookbook holder can be used in the traditional way on your countertop or any level surface; or simply unfold the hanger and hang from your cabinet door knob or handle
- When using in the hanging position, the cookbook holder weight limit is 3 lb 8 oz

USE

- Open carefully by grasping the bottom of each leg and pulling outward (See Fig 1)
(Note that there will be two audible clicks as the legs register into open and closed positions. This clicking will soften slightly as you open and close the Cookbook Holder. This is normal)
- Adjustable arms located at the top of each leg swivel to accommodate books of various sizes (See Fig 2)
- **TIP:** If your cookbook holder is tilting to one side when hanging it may be necessary to offset the book on the legs in order to achieve proper balance (See Fig 3)

CARE

- Wipe clean with a dampcloth
- Dishwasher safe, but hand wash is recommended to preserve appearance
