

What is the new K-Supreme Plus™ Smart coffee maker?

The K-Supreme Plus™ Smart coffee maker is our first brewer equipped with smart technology we call BrewID™, which recognizes the K-Cup® pod you've selected and automatically customizes the brew settings to the roaster's recommendation. You can also create favorite settings and control the brewer with the Keurig® mobile app. It is equipped with our new breakthrough MultiStream™ brewing technology which uses multiple streams of water to saturate the grounds more evenly* throughout the pod and extract the full flavor and aroma* you love.
