

LAYER CAKE

CABERNET SAUVIGNON CALIFORNIA

Brand Story

Layer Cake's name was born out of the simplicity of something handmade, a quality token of love like a cake your grandmother would have made for you on a special occasion. With richly layered flavors from the best regions on earth, Layer Cake wines have a level of depth and complexity that allow you to taste the terroir of the wine-making region, the unique characteristics of the fruit, and the experienced touch of the winemaker.

Sourcing

Our Cabernet Sauvignon grapes are sourced across California's wine country. The diversity of California's growing conditions impart critical flavors within the grapes that blend together to make up our richly layered Cabernet Sauvignon.

Winemaking Notes

When we set out to make Layer Cake Cabernet Sauvignon the goal was the same as the other Layer Cake red wines: find great vineyards that allow us to make a rich, delicious wine that tastes like \$50, but costs less than \$20. We traveled across the best regions of California, sourcing the highest quality fruit possible. The diversity of the vineyards we sourced from allow us to make a final blend that expresses the concentration, complexity and richness Layer Cake fans have come to expect.

Tasting Notes

This Cabernet Sauvignon truly expresses the depth and complexity of the grape. Perfumed with violets and wild berries, it shows strong varietal characters and rich, ripe plum fruit. Seamless and elegant, this wine shows big black fruit on the palette, fine grain soft tannins and a long coffee chocolate finish.

Pairing Strategy

Pair this full bodied wine with full bodied dishes, contrast fruit flavors in the wine with baking spices or BBQ rubs, or enjoy with anything that has come off a grill, especially beef and vegetables.
