Cookie Dough Baking & Handling Guide

Keep Frozen

Keep dough frozen until ready to bake.
Remove only what is needed!

Preheat Oven

Conventional/Convection Oven: 325°F

Cookies on Sheet Pan

Place cookie dough pieces 2"-3" apart on an ungreased sheet pan or line pan with parchment paper.

Bake

Bake until edges are golden brown. If oven has hot spots, rotate pan halfway into baking to ensure an evenly baked cookie.

Size	Bake Time
0.5 oz.	8-10 mins.
0.9 oz.	9-11 mins.
1.5 oz.	11-13 mins.

Cool & Enjoy!

Place sheet pan on countertop to cool until ready to eat. Enjoy! Store extra cookies in container and enjoy within 5-7 days.
