

Dear Customer,

Please read the following instructions to ensure your best Jafflz® experience!

Upon receipt of product, store in your freezer for storage until the “Best Before” date on bottom of the bag.

Thaw product in your refrigerator and consume within 7 days.

Microwave:

Step 1: Wrap the Jafflz® in a paper towel

Step 2: From thawed microwave for 1.5 minutes/ From Frozen 2.5 minutes

Step 3: For more crispy (**preferred method**) place in toaster oven, broiler, skillet until golden brown approx. 30 sec – 1 minute

Conventional Oven:

Wrap in foil – Bake for 45 min @350° F

Microwave times may vary – Heat internal temp to 165° F .

Over crisping will result in dryness
