

**UPGRADE YOUR NUT BUTTER!**

NuttZo was born out of love. It's been over a decade since I created my first batch of NuttZo for my two adopted sons—both extremely picky eaters. I wanted to take the single-nut butter I loved as a child to the next level, so I combined seven delicious nuts and seeds! Voilà, the NuttZo brand was born! Today, NuttZo is leading the nut butter revolution with its mixed nut and seed butters and snacks.

Every NuttZo product you purchase supports Project Left Behind, our non-profit providing bright futures for underprivileged children. Together, let's make a difference!

**LIFE IS NUTS, SO...WE MADE NUTTZO!**  
When I adopted my sons internationally in 2002 and 2005, they were both extremely nutrient-deficient. In desperation, I took to the kitchen and blended a variety of nuts and seeds to make a delicious protein source for them. Voilà, the brand 'NuttZo' was born!

Every sale of NuttZo benefits Project Left Behind, our non-profit providing bright futures for orphaned and disadvantaged children. Together, let's live **BOLD** and make a difference! Thank you for your support! ♥
