Temp-tations

Sauvignon Blanc | CALIFORNIA 2020

Temp-tations is all about bringing friends and family together, and nothing complements a great meal like a great bottle of wine. Just like every piece in the Temp-tations Collection is a work of art, every bottle receives the same utmost care and attention—from the grapes on the vine all the way to your glass.

FLAVORS:

Enjoy fragrant, tropical aromas of nectarine, passion fruit and citrus on the nose and mouth-watering flavors of lemon, guava, and a hint of pineapple to round out a naturally balanced wine.

RECOMMENDED FOOD PAIRING:

A very food friendly white, slight acidity will boost the flavors of medium-soft cheeses like gouda, muenster, and goat cheese in a salad and accompany all your favorite summer veggies. Enjoy with rosemary-lemon chicken, glazed pork chops, seafood, pesto, Mediterranean seasonings and any personal favorite blend of herbs and spices.
