RED BLEND

CALIFORNIA

CrimsonWood was created to honor the traditions of home and community. We hope you enjoy our red blend as part of your new tradition this season.

Our medium-bodied red blend greets you with a vibrant dark ruby color. Artfully crafted with four varietals, it is lush with flavors that fill your mouth with ripe fruit, black plum, and savory baking spices with a hint of red cherry. The smooth and lingering finish makes it perfect for bold and hearty meats such as grilled steak with blue cheese butter compound, aged cheeses like Gouda, or by the fire with a warm piece of Devil's Food Cake.

RESERVE CHARDONNAY

SONOMA COUNTY

Chardonnay is the queen of the whites and this lady is a perfect example. With grapes carefully selected across an incredibly diverse estate, complexity and focus come together.

For those who like their Chardonnay to be crisp, a beautiful dose of acid and the richness of barrel fermentation compliment a very lightly oaked experience. Enjoy flavors of toasted butterscotch and caramel green apple. No doubt Chardonnay pairs well with nothing more than good company or a good book. Serve it with a caramelized onion, apple & brie flatbread, seafood with brown-butter sauces, baked chicken with a cream sauce, or a pumpkin dessert to make any meal fit for a queen.
