

# Christmas Around the World

SCAN FOR HOLIDAY  
PAIRING RECIPES

Dear Friends,

As the end of the year is approaching, let us take a moment to savor a glass of wine and the moments that have made the past 12 months so special. The holidays are a time for reflection, gratitude, and celebrating the simple pleasures that life offers, such as sharing a meal with family and friends.

With this in mind, I have curated this set of wines to be perfectly suited for occasions enjoyed during the holidays and to make your gifting or entertaining easy and impressive.

Let us raise a glass to toast the memories we have created and all the memories we will make in the year to come. Wishing you all a happy, bright, joy-filled holiday.

Cheers,
