

# SWANSON VINEYARDS

## ROSÉ CALIFORNIA

### TASTING NOTES

You know that saying "A rosé by any other name would smell as sweet?" Well, we can proudly call our new canned rosé nothing short of epic lusciousness because it is the very same rosé as in our bottles. We now simply offer our jasmine-kissed, spring flower-smelling, strawberry and honeysuckle infused blush in a delightfully handy, super sharable, fuss proof can. So go forth and sip the same "sweet smell" and fresh, zingy spirit as our Swanson bottled premium wines which we now offer to you in a playful, adventure loving container. Impromptu picnic table charcuterie, handheld desserts, and outdoor theater shows now have the perfect compliment.

### PAIRING RECOMMENDATIONS

Best enjoyed chilled or over ice. Serve on its own, or pair with fresh fruit, oysters, a charcuterie of prosciutto, with soft creamy Brie cheese, or chocolate cheesecake.
