

Temp-tations presentable ovenware is known for its beauty and durability. The brand's ceramic casserole dishes and serving pieces come with baskets and/or trivets to help protect your table while making a polished presentation. Created especially for QVC, Temp-tations ovenware takes you from freezer to oven to table with ease.

Now, with a growing line of home décor pieces, you can take the artful touch of Temp-tations beyond the kitchen. With products ranging from tabletop centerpieces to charming scented candles to cheery holiday items and more, you can enjoy the signature designs and quality of Temp-tations in any room in your home.

The ceramic ovenware and home décor pieces evoke a sense of original craftsmanship. Part of the charm is that each piece is unique and a true work of art. Color variations and brushstrokes vary, making your set truly one of a kind.
