

HOW TO USE

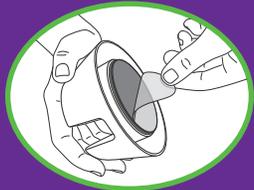

START HERE

www.gripperz.com

1. Remove plastic storage cap.

2. Peel off protective film to expose Gripperz pad.

3. Place bottom down on flat dry surface and gently press into place.

4. Insert beverage and enjoy!

5. Cup too big? Remove the gray insert by pushing insert slightly to the right, then lift out.

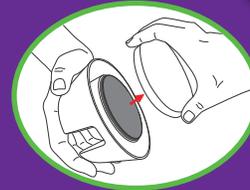

6. Place your drink into the larger space and enjoy!

HOW TO REMOVE AND REUSE

Gently twist and lift at the same time and pad will release from surface. *Do not force straight up as this may damage surface.*

Replace cap to keep pad sticky and free from dirt and dust.

PAD NOT STICKING?

Restore to original stickiness by gently washing pad with mild soap and water. Allow to completely air dry. The clean pad will again firmly adhere like new.
