

Bellissima

Prosecco and Sparkling Wines

Zero Sugar Sparkling White Wine

Zero Sugar, Zero Carbs
Certified Vegan
Made with Organic Glera Grapes

Bellissima Zero Sugar Sparkling Wine is our very own winemaking signature. It is a unique wine created NATURALLY by the implementation of a state of the art winemaking process. Years of research, tastings, and samplings led to the development of the perfect technique in which we are able to eliminate all of the sugar from the wine.

It is an enthralling wine that exhales a fine scent of white flowers and grapefruit. It is fresh, velvety, and creamy with a pleasant acidity. Bellissima Zero is crisp and fresh, with a fine and persistent perlage.

Zero Sugar Sparkling Rosé Wine

Zero Sugar, Zero Carbs
Certified Vegan
Made with Organic Pinot Grigio Grapes

The elegant pink color of this Bellissima Rosé is transferred from the grapes to the must through a light maceration on the skins of the grapes.

We eliminate all of the sugar from the wine by performing a unique fermentation process, established through years of research, tastings, and samplings.

Elegant and fresh hints of strawberry and grapefruit are brought to your palate by the Rosé's soft and persistent foam. The taste is crisp, fresh and clean, making our Rosé the perfect companion for food pairings.

Prosecco DOC Brut

Certified Vegan
Made with Organic Glera Grapes

Bellissima Prosecco DOC Brut is made from 100% Organic Glera grapes (called Prosecco grapes up until 2009).

It is produced using the "Charmat Method", which is the secondary fermentation in a tank.

It is straw colored with delicate scents of green apple. Fresh, aromatic and elegant with light scents of freshly baked bread.

The residual sugar content is approximately 6-7 gr/L.
