PAPERPORT 14

Scan, Share, Search, and Organize Documents on your PC

PaperPort 14 is an easy-to-use combination of traditional file cabinet and digital document desktop that enables you to scan, organize, find, and share all of your documents and photos from your PC.

Get more organized
PaperPort gives you a single solution for scanning paper and accessing, viewing, editing, and converting files on your PC—the best way to get, and stay, organized.

Take advantage of the cloud
With connectivity to your favorite cloud applications you can extend powerful document management capabilities to any device with a browser.

Become an expert … in no time flat
PaperPort reduces the complexity of scanning to a single push of button. Set-up a breeze, and you will quickly have all your documents stored and accessible in one easy-to-use application.

Go green
Reduce waste and conserve energy by putting an end to your reliance on printing, faxing, and mailing. You'll save money, too!

Gain true peace of mind
Improve document management processes with PaperPort. Once you file a document in PaperPort, you can rest assured it will never be lost, damaged, or accidently thrown away.

Get more done faster
PaperPort 14 includes a powerful PDF Viewer that replaces the free Adobe®Reader®, so you can view, edit, and share PDF documents like never before.

Find information instantly
Now you can create searchable digital PDFs from digital files and scanned paper documents. Then, to quickly locate a specific file, simply enter keywords or phrases into a desktop search.

Clean up and enhance digital photos
Scanning pictures is just the first step. PaperPort helps make your digital photos look better than ever with a feature-rich set of photo tools and optimal resolution for screen and print.

Convert paper into text
PaperPort converts paper to text in one, easy step. Just drag and drop a scanned document onto any text application in the PaperPort "Send-to" bar to create editable text for instant use in word processing or spreadsheet software.

Fill out forms quickly, neatly
FormTyper® converts scanned paper forms into electronic forms you can fill out, save as PDFs, and email. It's fast, easy, and automatic.

Works with any scanner
Make your all-in-one printer, mobile scanner, or desktop scanner faster and easier to use with PaperPort 14. Get better results, too.
