

LG **optimus** DYNAMIC™ II

L39C

You are determined, dynamic, creative—an original. You surround yourself with the things that complement your lifestyle and are looking for a device that's everything you need. Something that stays by your side—helping you remain constantly connected, in touch with friends and family, even when you're on-the-go.

LG Optimus Dynamic II is the pocket-sized smartphone that will satisfy your every whim—it looks good for any occasion and will get you through the day with sufficient power, sophisticated design, and a fresh user interface. LG Optimus Dynamic II is the smartest move you can make: it's affordable, stylish, and one of a kind—just like you.

Brightly Lit

You go many different places everyday, and you have a lot to look at. Why not carry around a smartphone that fits perfectly in your pocket or the palm of your hand and has a screen that is brilliant and undeniably clear? Optimus Dynamic II's 3.8" TFT screen always puts its best face forward and will make the little details light up.

Picture Perfect

Life is a series of extraordinary moments that should never be forgotten. Now, they never have to be. Capture every memory with Optimus Dynamic II's 3.0 Megapixel Camera, so you can have flawless pictures and videos to share with friends, family, and all of your social networks.

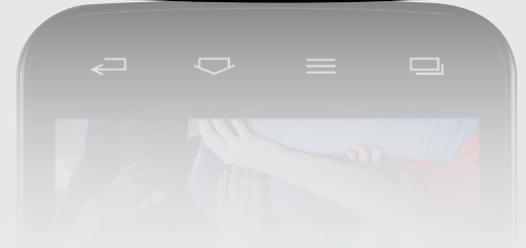

In-Style

It takes some time to get ready in the morning and dress to impress. Wouldn't it be nice if your smartphone was already stylish and perfectly polished? Optimus Dynamic II is ready to go, all of the time—one less thing you have to worry about when you wake.

Super Fast

Multitasking throughout the day is essential—with Optimus Dynamic II's 1 GHz Processor, you can browse the web, send important emails, and entertain yourself all at the same time. It is the handy smartphone that will work for you.
