

WHAT MAKES **FlixFling** DIFFERENT?

FlixFling users watch on their own terms.

FlixFling movies and shows are available for rental or purchase and users can choose from a subscription or On Demand account.

FlixFling's free integrated digital locker system, MyFlix, makes titles available anytime, anywhere.

There's no need to sync or store movies on mobile devices—MyFlix does it all seamlessly. FlixFling is the only streaming service to offer such a solution free of charge.

Let's talk content.

FlixFling features everything from new releases to cult classics.

FlixFling features a growing library of independent and unique studio releases from over 30 distributors and aggregators including Starz, Image, Magnolia Pictures, Weinstein Company, and many more.
