

Always Here When You Have a Technical Support Issue

Let our specially-trained, U.S.-based support team help you solve any technical issues you may have with your tablet.

- Help setting up Internet connections.
- Help setting up an email account.
- Help installing apps.
- Help syncing.

With your subscription to **Premier Tablet Support**, you'll always be able to turn to the experts with technical issues that you may have today, and those that may arise in the future.

Services Provided by Premier Tablet Support:

- Assistance with technical issues, including setting up a Wi-Fi or Network connection or an email account.
- Help with App Store setup and installing apps.
- Help with syncing issues.

Services That Are Not Provided:

- Assistance with hardware support or problems.
- Tutorial services for understanding various tablet functions.
- Issues relating to problems originating with your Internet provider.
- Issues relating to problems such as your tablet not working or damage to your tablet. These should be directed to your manufacturer.

Terms and Conditions - Customers of the Premier Tablet Support Products will receive English-only support for one new tablet only via toll or toll-free telephone and email, twenty-four hours, seven days a week (24/7) in the U.S. for a term as specified on your brochure from date of purchase. Scope of Services: a. New Tablet Setup - Installation of critical OS updates. b. Security Health Check Services - Verification of internet security and other software settings, clearing out temporary files, and configuring Internet security settings. c. Internet and Email Set-up Services - Assist with set-up and security of email accounts, browser, and wireless internet connection. This service does not include set-up of wired internet connection. d. Syncing Services - Help with syncing tablet with pc and/or other devices. e. Technicians do not service or support hardware. For any hardware issues, please refer to your device manufacturer's warranty policy. f. Company may make revisions to these Terms and Conditions and its policies relating to services provided without notice. g. Customer acknowledges that technicians may not be able to resolve all issues customer may have.
