

# Ultra Thin Bluetooth® Keyboard

Turn your iPad® mini into a  
thin laptop

Read this Quick Start Guide before using the product, and save it for future references.

iPad® mini is not included.

**Note:** This product is compatible with iPad® mini.

## A. Charging

1. Use the USB to Micro USB cable that is included in the package. Plug the Micro USB connector into the Micro USB port located on the right side of the keyboard.
2. Plug the USB connector into a USB port on your computer or into any USB wall charger (Helpful tip: USB Wall charger is included with your iPad® Mini.)
3. The red light on the keyboard will illuminate showing that charging is in progress.
4. Charge your keyboard for 4 to 6 hours for a full charge.

You are now ready to pair your Bluetooth Keyboard.

## B. Pairing the Bluetooth Keyboard

1. Slide your iPad® mini (screen facing the keys) into the hinge portion.

NOTE: You can also pair while your iPad® Mini is outside of the hinge.

2. On your keyboard, set the Power switch to ON. The power switch is located on the bottom right side of the keyboard.

3. Firmly press the connect button with your finger tip which is located next to the power switch on your keyboard. A blue indicator light will blink briefly indicating that the keyboard is in pairing mode.

4. On your iPad® Mini, tap Settings. Open Bluetooth and make sure Bluetooth is turned on, on your iPad® Mini.

5. Your iPad® Mini will discover the keyboard and show “Keyboard” on your screen. Tap the “Keyboard” words on your screen.

6. A notification box with a passkey should now appear on your iPad® Mini screen.

7. Enter the passkey on your keyboard, and press Enter.

8. Your iPad® Mini screen should show the Keyboard as Connected.

Your Keyboard can be used with devices that are Bluetooth 2.0 and 3.0 compatible.

**This device complies with Part 15 of the FCC Rules.  
Operation is subject to the following two conditions:**

- (1) This device may not cause harmful interference, and**
- (2) This device must accept any interference received, including interference that may cause undesired operation.**

## Digital Gadgets Limited Warranty Statement

Digital Gadgets warrants this product against defects in workmanship and material for a period of 12 months from the original date of purchase. If the product fails during normal and proper use within the warranty period, Digital Gadgets will repair or replace any products or parts determined to be defective in workmanship or material at its option. All components repaired or replaced by Digital Gadgets' service site will be under warranty for the remaining period of warranty.

This Limited Warranty covers only the accessory components packaged with this product. This Limited Warranty does not include failure caused by improper installation, operation, cleaning or maintenance, accident, damage caused by extreme temperature, humidity or extreme electrical stress, misuse, abuse unauthorized modifications to the product, software faults, normal wear and tear or any other event, act, default or omission outside of Digital Gadgets' control or if the serial number has been defaced, altered or removed and the casing has been opened.

To obtain warranty service, please contact Digital Gadgets for specific instructions at the telephone number below. Dated, documented proof of the original purchase is required.

Digital Gadgets Customer Service Representatives are available by calling **866-843-6460** or by emailing **[dgsupport@digitalgadgets.com](mailto:dgsupport@digitalgadgets.com)**.
