## LG **REBEL**<sup>™</sup> LTE L44VL

Are you 'into' technology but aren't down for that hefty price tag? The LG Rebel<sup>™</sup> LTE is the smartphone you need. With a large screen, awesome photography features, and a performance that truly excites, you can stay tech savvy without a second thought.

### 4.5" FWVGA Display

Your screen is the window to your world—so the time, social updates, and all-important notifications come in bright and clear!

### 5 MP Rear Camera

Great moments should be remembered. With this smartphone and its photography capabilities, you can capture them all.

### 2 MP Front Camera with Gesture Shot

An exciting way to take even better selfies! Just raise your hand, align it in the box, make a fist, and smile!

### 1.1 GHz Quad-Core Processor

Stream, surf, and play till you drop. With smooth power from four cores, you can perform at your peak.

L44VL

**LG REBEL™ LTE**
