

TOKK™ HANDS-FREE SMART ASSISTANT

and connect to

QUICK START GUIDE

Thanks!

On behalf of our team, I wanted to thank you for your order. We hope you enjoy your new TOKK™, your feedback is very important to us. If you like it, then please give us your feedback at the email below... or if you have an issue, we are more than happy to help and make this the best possible experience for you!

email: contact@tokktech.com

1. Multi function button:
play, pause, answer call, Siri, etc.
2. MIC
3. Charging port
4. LED indicator
5. Speaker
6. ON/OFF
7. Volume +/- (remote camera function)

Quick Start Guide

Step 1 Pair TOKK™ to your phone via Bluetooth®.

To activate and connect to the Bluetooth® mode and functions on your phone or device, see the instructions for that device

Step 2 How to use your TOKK™ to Play/Pause/Answer Call/Siri, etc.

- Access Siri, Google Now...
DOUBLE CLICK TOKK's Multi-function button, wait for a short beep, voice control is now active single click to close it.
- Answer/Hang Up: **SINGLE CLICK** to answer, **SINGLE CLICK** to end
- Play/Pause: **HOLD DOWN FOR TWO SECONDS** to pause music, and hold down for another two seconds to replay
- Remote Shutter for camera: **USE + / - VOLUME BUTTON** to take pictures when in camera mode, great for Selfies!
