

TRULY TIMELESS

A unique flip-style smartphone combining touch screen navigation with convenient, compact portability and a traditional dialing experience—that's the ZTE Cymbal™ T LTE®! Access your features and apps with the touch screen, or simply use the large keypad for dialing, shortcuts, and navigation keys. When open, the Cymbal T LTE conforms to the natural curve of your face for a comfortable fit. The Cymbal T LTE includes all the features you'd expect from a smartphone, such as LTE™ connectivity, fast processing power, and a fabulous camera with Manual Mode, Smile Capture technology, and more. Browse the web, listen to music, stream videos, or check your email—the possibilities are endless with the compact and truly timeless Cymbal T LTE. Great functionality never goes out of style!

Tomorrow never waits

Tips and Tricks

Add a Google™ Account

1. Press the **Home Key** > **Accounts** > **Add account** > **Google**.
2. Enter your existing Google email or tap **Or create a new account**.
3. Follow the instructions on the screen to set up the account.

Customize Home Screen

1. Tap and hold an empty part of the home screen.
 2. Tap **Widgets**.
 3. Tap and hold a widget and drag it to a home screen.
- NOTE:** To add an app shortcut to a home screen, tap **+**. Tap and hold an app and drag it to a home screen.
4. To organize your shortcuts with folders, tap and hold a shortcut on the home screen.
 5. Drag and drop on top of **+** to create a new folder.
 6. If needed, drag more shortcuts and drop them into the folder.

Update Apps

1. Press the **Home Key** > **My apps**.
2. Tap **≡** > **My apps**.
3. Tap **UPDATE ALL**, or tap an app to update only that specific app.
4. Follow the instructions on the screen.

Play Music

1. Press the **Home Key** > **Music**.
2. Tap **All Songs**.
3. Tap a song to play it.

Use Explore

1. Press the **Home Key** > **Explore**.
2. Navigate the map view to the area you'd like to explore and tap **+**.
3. Swipe up and down under each category to view more options.
4. Tap a location for more information.

Snap a Photo

1. Press the **Home Key** > **Camera**.
2. Align your subject in the frame and press **+**.
3. Tap **+** to use the camcorder.
4. Tap **+** to switch to the front camera.
