

DO EVERYTHING FOR LESS®

Welcome Guide

Congratulations on the purchase of your TracFone device

To Activate follow the steps below:

- 1) Open your phone package.
- 2) Find the Red Activation Card that says START HERE, you will need your phone's Serial Number which is written inside the white box as it is required for activation.

You do not need to provide a Service Plan PIN during Activation. Your initial Service Plan PIN comes bundled with your phone and will be automatically added during the activation process.

- 3) Go to **Activate.TracFone.com** or call this exclusive number, **1-800-816-0663**.

If you are a current TracFone customer upgrading to a new phone, you will be able to transfer your service and airtime balance to your new phone.

(SafeLink customers cannot upgrade or transfer service to this phone)
