Galaxy J7 Sky Pro

The smartphone you have been waiting for.

Watch and read on the large 5.5" HD display. Capture clear photos and selfies even in low light. Store more photos and videos with expandable memory. Designed with all the features you love, the Samsung Galaxy J7 Sky Pro keeps up with your busy life.

Get the big picture.

Take it all in on the large 5.5" HD display. Videos, text, and photos pop on the vibrant screen.

Snap and share.

With an 8MP main camera, capture more details—even in low light—so you can view and share clear, bright photos.

Freedom to store more

With 16GB¹ of built-in memory, you can store more than 4,000 photos² directly on your device. Plus, expand your memory an additional 256GB with a microSD card³ to save even more of your favorite music and videos.

Make the most of a charge.

Use Power Saving Mode to extend your battery life by turning down brightness and sounds and minimizing background activity.

Power that lasts

A long-lasting 3,300 mAh battery keeps you powered for up to 31 hours,⁴ so you can browse, talk, text and listen wherever you take your phone.
