

Windows Select Pack 2

Important Note: Please carefully review the Terms and Conditions of each offer for restrictions and limitations. Please note that some offers are negative option plans, meaning that your credit card will be automatically billed if you do not cancel your trial or subscription within a certain period of time.

PCmover Professional

PCmover Professional is the software that automatically transfers applications, files, settings, and user profiles from an old PC to a new one! It's the way to move to a new PC without leaving anything behind, even when there are different versions of Windows on the old and new PC.

Greeting Card Factory Deluxe 11

Conveniently personalize and send store-bought quality greeting cards, calendars and other print creativity projects with one best-selling print creativity application. Includes the ultimate collection of design templates for every season, event and occasion plus a photo editor.

Better Photography 101 Online Course

Make your photos stand out with this self-paced online photography course. Whether you're a beginner or an advanced photographer, you're photos will never look better, whether posting them on social media or printing them. Included are six chapters with tips and techniques that will improve your approach to taking photos, plus before and after videos to help you visualize the lessons.

RescueTime Premium 1-Year Service

With so many distractions and possibilities in your daily life, it's easy to get side-tracked. RescueTime helps you understand your daily habits so you can get more organized and productive. Simply install a small application on your computer and magically tracks what applications and web sites are being used and for how long. Armed with this information, spot inefficiencies, get organized and achieve more of your goals.
