PLEASE READ BEFORE OPERATING THIS EQUIPMENT

This product is manufactured and sold by Curtis International Ltd. RCA, the RCA logo, the two dogs (Nipper and Chipper) logo, are registered trademarks or trademarks of RCA Trademark Management and are used under license by Curtis International Ltd. Any other product, service, company, trade or product name and logo referenced herein are neither endorsed nor sponsored by RCA Trademark Management or its affiliates.
Important Safety Instructions

1. Read these Instructions.
2. Keep these Instructions.
3. Heed all Warnings.
4. Follow all instructions.
5. Do not use this apparatus near water.
6. Clean only with a dry cloth.
7. Do not block any ventilation openings. Install in accordance with the manufacturer’s instructions.
8. Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifier) that produce heat.
9. Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
10. Only use attachments/accessories specified by the manufacturer.
11. Unplug this apparatus during lightning storms or when unused for long periods of time.
12. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
13. Use only with a cart, stand, tripod, bracket, or table specified by the manufacturer or sold with the apparatus. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over.
Additional Warnings and Precautions

1. Do not look directly into the projector light.
2. Don’t touch the project lens.
3. Mains adapter is used as disconnect device and it should remain readily operable during intended use. In order to disconnect the apparatus from the mains completely, the mains plug should be disconnected from the mains socket outlet completely.
4. **CAUTION:** Use of controls or adjustments or performance of procedures other than those specified may result in hazardous radiation exposure.
5. **WARNING:** Changes or modified to this unit not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.
6. **WARNING:** Use of this unit near fluorescent lighting may cause interference regarding use of the remote. If the unit is displaying erratic behavior move away from any fluorescent lighting, as it may be the cause.
7. **WARNING:** Shock hazard - Do Not Open.
8. Caution and marking information is located at the rear or bottom of the apparatus.
9. **WARNING:** To reduce the risk of fire or electric shock, do not expose this apparatus to rain, moisture, dripping, or splashing.
10. Objects filled with liquids, such as vases, shall not be placed on the apparatus.
FCC Warning

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Placing Your Projector
Your projector can be installed in four different configurations (see picture below):

Front Table:
Select this location with the projector placed near the floor in front of the screen. This is the most common way to position the projector for quick setup and portability.

Front Ceiling:
Select this location with the projector suspended upside-down from the ceiling in front of the screen.
**NOTE:** A projector mount is required to install the projector in a ceiling.

Rear Table:
Select this location with the projector placed near the floor behind the screen.
**NOTE:** That a special rear projection screen is required.

Rear Ceiling:
Select this location with the projector suspended upside-down from the ceiling behind the screen.
**NOTE:**
A projector mount is required to install the projector in a ceiling.
A special rear projection screen is required.
To Reduce Image Distortion

It is recommended to move the projector as close to center of screen.

Distance Between The Projector And Screen

Measure the distance between the projector and where you want to position the screen. This is the projection distance.

<table>
<thead>
<tr>
<th>Distance</th>
<th>Screen Size</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.16m</td>
<td>37 inch</td>
</tr>
<tr>
<td>1.35m</td>
<td>45 inch</td>
</tr>
<tr>
<td>1.51m</td>
<td>50 inch</td>
</tr>
<tr>
<td>1.81m</td>
<td>60 inch</td>
</tr>
<tr>
<td>2.15m</td>
<td>72 inch</td>
</tr>
</tbody>
</table>

Placing Your Projector On Ceiling

When installing the projector in the ceiling, please purchase a projector mount recommended by an installation professional and follow the instructions that come with the mount.

Before installing the projector in the ceiling, please check to make sure the ceiling structure can support the weight of the projector and the mount. If in doubt, please ask the advice from an installation professorial.

NOTE: Projector mount and screw(s) not included
Adjust The Vertical Location
Follow below picture to adjust the vertical location.

Adjust The Focus And Keystone
Follow below picture to adjust the focus and trapezoidal screen.

Adjust the focus by turning the knob while observing the image pixels near the center of the screen. Optimal focus is obtained when the pixels are clearly visible. Depending on the projected screen size, the focus near the screen edges may be less sharp than the screen center.

Keystone image is created when the projector beam is projected to the screen in an angle. Keystone correction will restore the distorted image to a rectangular or square shape.

Adjust this knob (ANGLE ADJ. knob) to fine-tune the display angle to higher.
Controls Of Remote

Install / Remove Battery Of Remote

Remove the battery compartment cover on the back of your remote by carefully sliding to open. The battery cover can then be lifted away. Fit the correct batteries (not included), referring to the polarity markings. Finally, replace the cover.

NOTES:

- Batteries shall not be exposed to excessive heat such as sunshine, fire
- Be sure that the batteries are installed polarity correctly.
- Do not mix old and new batteries.
- Only same or equivalent type batteries as recommend are to be used.
- Do not dispose of batteries in fire, battery may explode or leak. Do not try to recharge a battery.

Install Power Adapter
Follow below picture to connect power adapter
Connect small end of adapter **FIRST**. Plug the adapter body to power outlet.

![Mains Socket]

Main Operation

- **POWER** - Press the button to turn on unit, press again to turn off.
- **SOURCE** - Press the button to select input source.
- **MENU** - Press the button to enter projector menu.
- **-** - Press the buttons to select screen item of projector menu.
- **EXIT** - Press the button to exit the projector menu.
- **/** - Press the buttons to fast search forward and rewind on USB / TF.
- **/** - Press the buttons to search next or previous file on USB / TF.
- **VOL+ / VOL** - Press the buttons to select correct sound.
- **-** - Press the button to play/pause the connect USB / TF card.
- **FLIP** – Press the button to rotate / mirror projector screen
- **ZOOM** - Press the button to select image scale.
- **-** - Press to muting the audio sound of your projector. Press again to resume.
**Connect HDMI Show The Image On Projector Screen**

Follow below picture to connect HDMI cable and device.
1. Turn off the unit before connect HDMI cable.
2. After connect, press the power button to turn on unit and power indicator will light GREEN.
3. Press the SOURCE button to HDMI mode and the video of HDMI device will show on projector screen.
4. Press the button to turn off unit power.

**Connect AV Show The Image On Projector Screen**

Follow below picture to connect AV cable and device.
1. Turn off the unit before connect AV cable.
2. Use AV cable to connect follow below figure.
3. After connect, press the button to turn on unit and power indicator will light GREEN.
4. Press the SOURCE button to AV mode and the video of AV device will show on projector screen.
5. Press the button to turn off unit power.
Connect VGA Show The Image On Projector Screen

Follow below picture to connect HDMI cable and device.

1. Turn off the unit before connect VGA cable.

2. Press the \( \text{ } \) button to turn off power of your projector before connection.

3. After connect, press the \( \text{ } \) button to turn on unit and power indicator will light GREEN

4. Press the \( \text{ } \) / \( \text{ } \) / SOURCE button to VGA mode and the video of VGA device will show on projector screen.

5. Press the \( \text{ } \) button to turn off unit power.

Using Bluetooth Playback

Pairing is the term used when two Bluetooth devices are connected wirelessly for the first time. This allows the devices to see each other and sets up a one to one communication channel between both devices.

Bluetooth Connection

1. Press the \(\bigcirc\) button to turn on unit.
2. Press the \(\text{M}\) button to enter the menu screen.
3. Use the \(\leftarrow / \rightarrow\) button to select right side menu.
4. Use the \(\uparrow / \downarrow\) button to select Bluetooth column.
5. Press the \(\text{OK}\) button to enter Bluetooth menu.
6. Use the \(\leftarrow / \rightarrow\) button to select “ON”
7. Turn on your External Bluetooth Speaker and select to Bluetooth pairing mode
8. A few seconds, you hearing “do” sound that your unit and external Bluetooth speaker connected.
9. After connection completed, the unit sound to External Bluetooth speaker.

Disconnect the Bluetooth

1. Press the \(\text{M}\) button to enter the menu screen.
2. Use the \(\leftarrow / \rightarrow\) button to select above menu.
3. Use the \(\uparrow / \downarrow\) button to select Bluetooth column.
4. Press the \(\text{OK}\) button to enter Bluetooth menu.
5. Use the \(\leftarrow / \rightarrow\) button to select “OFF” that the Bluetooth disconnect.
Using Projector Menu 1.0

LIMITED PRODUCT WARRANTY

This quality product is warranted to be free from manufacturer’s defects in material and workmanship, provided that the unit is used under the normal operating conditions intended by the manufacturer.

Should you have any problem with this product, please and it is highly recommended to visit our website at www.curtisint.com before you take any other steps as we have additional copies of instruction manuals, operating manuals and trouble shooting tips on our website which gives you the answer on most of the questions you could have in operating the unit.

TERMS OF WARRANTY

C.I. Service Dept. warrants this product to be free from defects in materials and workmanship for 90 days on parts and 90 days on labor. If you originally purchased your product more than 90 days ago, a repair fee may apply.

Nothing within this warranty shall imply that C.I. will be responsible or liable for any damage to any items placed in this product, whether due to any defect of the product, or its use, whether proper or improper.

EXCLUSIONS

Save as herein provided, C.I. Service Dept. (Canada) or C.I. Service Dept. (USA), there are no other warranties, conditions, representations or guarantees, express or implied, made or intended by C.I., or its authorized distributors and all other warranties, conditions, representations or guarantees, including any warranties, conditions, representations or guarantees under any Sale of Goods Act or like legislation or statute is hereby expressly excluded. Save as herein provided, C.I. Service Dept. (Canada) or C.I. Service Dept. (USA), shall not be responsible for any damages to persons or property, including the unit itself, however caused or any consequential damages arising from the malfunction of the unit and by the purchase of the unit, the purchaser does hereby agree to indemnify and save harmless C.I. from any claim for damages to persons or property caused by the unit.

TO OBTAIN REPAIRS UNDER THE TERMS OF THIS WARRANTY

1. The original purchaser must present a copy of the original bill of sale and the service warranty card.
2. Any alterations, abuse, misuse, battery corrosion or accidental damage voids the warranty.
3. The warranty does not cover cabinets and accessories.
4. No warranty or insurance contained or set out shall apply when damage or repair is caused by power failure; damage in transit or when moving the unit; improper power supply; use for commercial or industrial purposes; service calls resulting in customer education, etc.
5. The defective product should be mailed to:

   Canada
   C.I. Service Dept.
   315 Attwell Drive
   Toronto, ON
   M9W 5C1

   U.S.A
   Curtis International Ltd
   c/o Lotus International Company
   6880 Commerce Blvd.
   Canton MI 48187
   U.S.A.

   For service assistance and product information, please call: 1-800-968-9853.
   If mailing the product, the freight must be prepaid and a money order for $7.00 should be included to cover the cost of insurance and the return of the product.

6. C.I. reserves the right to repair or replace the parts which have become defective.

To begin the warranty repair process, please note that you MUST obtain a return authorization number prior to returning your product for warranty based support. This can be placed under the 1-800-968-9853 contact line.
