

Photography Essentials 7

Important Note: Please carefully review the Terms and Conditions of each offer for restrictions and limitations. Please note that some offers are negative option plans, meaning that your credit card will be automatically billed if you do not cancel your trial or subscription within a certain period of time.

Hallmark Card Studio Win/Mac

For more than 100 years, Hallmark has designed greeting cards for life's special moments. Here the tradition continues, making it easy for you and your family to create one-of-a-kind Hallmark cards in the convenience of your home, school or office. But cards are just the beginning. Create crafts, calendars, collages, party invitations, scrapbook pages, school projects and more – all personalized with style that only Hallmark can bring!

Creative Photo Composition Online Course

Raise your photography to the next level with this online course dedicated to the art of taking pictures. Learn the most important techniques used by professional photographers for breath-taking photos each time you get behind the camera. This six-chapter course includes classic photography techniques, photo editing, creative composition, subject placement and more. Once you complete the course, you'll be able to take stunning photos of people, nature, landscapes, even pets!

Ribbet.com Premium 1-Year Service

Ribbet proves that powerful photo editing isn't just for pros. Packed with an unprecedented variety of tools, Ribbet's streamlined editor handles everything from basic edits to professional touch-ups. Hand-picked presets give you vast creative options, and if you want to go deeper, you'll find everything from the clone tool to fine curve adjustments.
