## Britannica Concise Encyclopedia 2013

*Paragon Software Group*

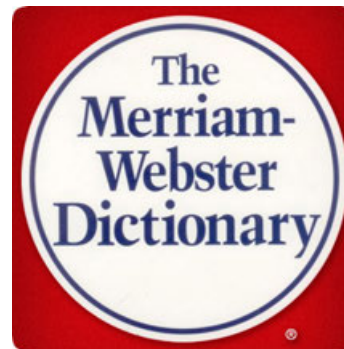

Containing over 25,000 articles and 2,700 images covering nearly every aspect of human endeavor – including

Arts, Business, Computers, Geography, History, Literature, Medicine, Philosophy, Politics, Pop Culture, Science, Sports, and much more – the Britannica Concise Encyclopedia 2013 is the perfect information resource for the entire family.

Boasting a browser-like user interface, suggested searches, email sharing of articles, and 'On this Day' feature that highlights events on any specific calendar day in history, verifying your facts, locating quick research data for work or school, and answering your everyday questions has never been simpler.

### Product Highlights:

- Contains over 25,000 articles and 2,700 images.
- No Internet connection required – information accessible anywhere and anytime.
- Share articles via email.
- Easy-to-use browser-like user interface.

## The Merriam- Webster Dictionary

*Paragon Software*

Featuring over 75,000 definitions and covering the core vocabulary of everyday life, The Merriam-Webster Dictionary is a feature-rich,

comprehensive language reference app for your Android tablet.

Including essential features such as audio pronunciations recorded by native English speakers, a 'fuzzy search' that helps find the word you're looking for even if it's misspelled, and an English morphology module that helps to translate words from any grammatical form, The Merriam-Webster Dictionary also includes a 'word of the day' widget that helps you expand your vocabulary by putting a random daily word right on your home screen.

### Product Highlights:

- Over 75,000 definitions covering the core vocabulary of everyday life.
- Audio pronunciations provided by native English speakers.
- No internet connection required, just download the dictionary to your tablet.
- Fuzzy and wildcard searches help you find your word even if you're not sure of the spelling.

## SOS Online Backup with One-Year Subscription and 150GB

*SOS Online Backup*

In today's digital world, you need access to your data no matter where you are or where you go. SOS Online Backup Android App is the ideal way to backup and access your files no matter where you are.

Perfect for people on the go, SOS Online Backup lets you backup, access, and share your data at any time. In addition to the convenience an piece-of-mind a digital backup offers, SOS Online Backup provides 150GB of free storage for all of your important, can't-do-without information.

### Product Highlights:

- Includes 1-year subscription to SOS Online Backup.
- Backup and access your files on your Android device.
- Includes 150GB of free storage.
- Keep your most important data safe.

## Backgammon

*AI Factory Limited*

Tracing its roots over 5,000 years, Backgammon is the classic board game that relies upon a winning combination of skill, strategy, and luck. Whether you're a Backgammon beginner or a well-seasoned diceroller, AI Factory's Backgammon Android app provides hours of gaming delight as you tactically advance your counters

around the board, trying to block your opponent as you proceed.

Boasting a user-friendly interface, powerful Backgammon Artificial Intelligence, and traditionally elegant graphics, AI Factory's Backgammon also offers in-game features as Full Match Play and Doubling Cube, hints, stats, and two-player hotseat, all merged to make this the only Backgammon game you'll ever want to play.

### Product Highlights:

- Powerful Backgammon AI.
- Full match play and doubling cube.
- Elegant graphics.
- Hints, stats, and two-player hotseat.

## Checkers

*AI Factory Limited*

Dating back to the Egyptians of 3,500 years ago, the classic game of Checkers has long held its reign as one of the world's most popular board games, and AI Factory's Checkers Android app brings you this fun favorite with a combination of technical smarts and timeless style.

Featuring graphics that evoke a refined tradition, two boards and piece sets, and presenting ten levels of difficulty, AI Factory's Checkers also offers such in-game features as two-player hotseat, user stats against each level, hints, and undo. Additionally, it also supports both non-compulsory captures and compulsory captures and correctly plays the common 2K v. K – an essential function for quality checkers play.

### Product Highlights:

- Ten levels of difficulty, from beginners to experts.
- Features two-player hotseat, user stats against each level, hints, and undo.
- Two boards and piece sets.
- Supports compulsory and non-compulsory captures and correctly plays 2K v. K.

## Chess

*AI Factory Limited*

Are you a grandmaster in the making, or are you already a champion chess player? AI Factory's exemplary Chess app for Android presents you with an unparalleled gaming experience whatever your skill level. Featuring traditionally sophisticated graphics and boasting ten peerless levels of difficulty, from novice to expert, this

timeless game of intellectual warfare offers untold hours of challenging, stimulating fun.

In addition to offering three chess boards and piece sets, AI Factory's Chess utilizes the Treebeard Chess Engine, creating a uniquely human-like opponent. And with such in-game features as stats, timers, hints, and handicaps, this app has everything a chess enthusiast could ever want.

### Product Highlights:

- Ten levels of difficulty, from Novice to Expert.
- Utilizes the Treebeard Chess Engine.
- "Show CPU Thinking" feature helps to develop and sharpen chess skills.
- Offers three different boards and set pieces.

## City Mysteries HD

*Selectsoft Publishing*

Alone in a strange city, you are surrounded by mysterious objects everywhere you turn. Can you recover all the lost items before time runs out? Search buildings, streets, landmarks, and more as you seek and find hidden

objects in New York, Paris, Moscow, and London!

Delve into detailed indoor and outdoor scenes filled with over 1,000 carefully placed items, plus enjoy a challenging sliding tile puzzle for each city. As you unlock each new scene, you'll be drawn deeper into the hidden object hunt. Are you ready to travel the world with City Mysteries?

### Product Highlights:

- Search for over 1,000 hidden objects.
- Featuring scenes set in New York, Paris, Moscow, and London.
- Immersive art and evocative sound effects.
- Fun and addictive seek-and-find gameplay.

# Included in your Kid's App Suite for Android 4 and newer

## Hearts

*AI Factory Limited*

AI Factory's Hearts brings this classic and popular four-player, trick-taking card game to your tablet for exciting and challenging card-playing fun. Delivering superb game play for players of all ages and skill levels, Hearts provides full game play, including the optional Jack of Diamonds rule.

Featuring 15 CPU Hearts characters of varying skill from beginner to expert, two decks of cards from which to choose, Hearts rules, User and CPU stats, undo, and hints, Hearts is the perfect card game to play when you're looking for a short game session.

### Product Highlights:

- Full Hearts play, with optional Jack of Diamonds rule.
- 15 CPU characters with varying degrees of skill, from beginner to expert.
- Two decks of cards from which to choose.
- User and CPU stats, undo, hints, game rules, and more.

## Move it!

*AI Factory Limited*

Featuring hundreds of masterfully hand-crafted puzzles divided into six different levels of difficulty, from novice to expert, AI Factory's Move it! offers a unique and innovative spin on the traditional block sliding puzzles. Using its complex artificial intelligence, Move it! presents puzzles as deep as 120 moves – certain to baffle all but the most nimble noggins.

With colorful graphics and a helpful, full puzzle tutor that can help to guide you through the trickiest of impasses, Move it! also includes 70 different block shapes, offering even greater variety and challenge. Perfect for both a quick game (on the easiest setting) or for hours of puzzling pleasure, AI Factory's Move it! is a brain-stimulating delight for puzzle fans everywhere.

### Product Highlights:

- 672 games and six different levels of difficulty.
- Unique and innovative spin on block sliding puzzles.
- 70 different block shapes for greater variety and challenge.
- Colorful graphics.

## Spades

*AI Factory Limited*

AI Factory's Spades delivers this favorite four-player, contract trick-taking card game right to your tablet for hours of challenging fun. Boasting a complexity of play similar to Bridge, Spades utilizes the Monte Carlo Tree Search engine for superb artificial intelligence.

Featuring full Spades partnership play,

15 CPU characters from which to choose, two decks of cards, User and CPU player stats, game rules, undo, hints, and much more, Spades promises to entertain players of all ranks, from beginner to expert.

### Product Highlights:

- Full Spades partnership play.
- 15 CPU characters with varying degrees of skill, from beginner to expert.
- Two decks of cards from which to choose.
- User and CPU stats, undo, hints, game rules, and more.

## Sudoku

*AI Factory Limited*

Whether you're a Sudoku fanatic or someone who loves brain-boggling puzzles, AI Factory's Sudoku Android app offers countless hours of perplexing puzzle fun. Featuring engaging graphics and smooth interface for unparalleled game play, you'll find yourself completely immersed in confounded concentration.

Boasting 500 Sudoku puzzles and five levels of difficulty – from easy through medium to hard and extreme – AI Factory's Sudoku also includes two sets of Sudoku board art and fonts, statistics tracking that track the fastest, and average completion times and completion percentage.

### Product Highlights:

- Features 500 puzzles and five levels of difficulty.
- Two sets of Sudoku board art and fonts.
- Statistic tracking and undo function.
- Ultra-smooth interface and graphics.
