

LIMITLESS™

## Breezie™

Portable Fan with LED Light & Power Bank

User Manual

## SAFETY INFORMATION

By using the Limitless Breezie™ ("Breezie™"), you hereby agree that Limitless Innovations, Inc., an Illinois corporation and its affiliates ("Limitless") shall have no liability for any losses associated with property damage, personal injury or loss of life that are incurred by you or by any third party in connection with or relating in any manner whatsoever to your use of the Breezie™. By using the Breezie™, you hereby agree at all times to comply fully with all safety warnings, operating instructions and general safety information in this user manual. By using the Breezie™, you further agree to hold harmless Limitless, (and Limitless' officers, directors, shareholders and employees) in connection with any losses sustained by you (including, without limitation, losses arising in whole or in part from property damage, personal injury or loss of life) relating in any manner whatsoever to your use of the Breezie™.

## WARNINGS

- Do **NOT** touch the blades while the fan is running.
- The Breezie™ is **NOT** a toy and should be kept away from children.
- Do **NOT** use the Breezie™ near an electric field.
- Do **NOT** use the Breezie™ in direct sunlight or extreme heat for extended periods of time.
- Do **NOT** use the Breezie™ if it has been damaged and/or modified.
- Do **NOT** subject the Breezie™ to harsh chemicals.
- Do **NOT** submerge the Breezie™ or its accessories in water.
- Do **NOT** insert any foreign objects into the port or openings of the Breezie™.
- Do **NOT** store the Breezie™ in high humidity conditions.
- Do **NOT** attempt to replace the battery as it is a non-serviceable part.
- Do **NOT** stare directly into the LED light.
- Batteries should be recycled or disposed of, as per state and local guidelines.
- Do **NOT** paint or apply coatings to the Breezie™ as you might affect moving parts or damage internal components.
- Do **NOT** use the Breezie™ near a water source such as a pool, bathtub, or shower.
- Do **NOT** operate the Breezie™ without the front cover in place.

## AIR TRAVEL

- You may carry the Breezie™ on an airplane. Do **NOT** travel with the Breezie™ in your checked baggage.

| ● ● ● ●             | 76-100%          |

## Charging a Device

Plug a USB charging cable into the USB Charging Port then into a USB-chargeable device. The device will begin to charge.

# OPERATING INSTRUCTIONS

## Installing the Breezie™

Choose your installation method:

### Clamp

Squeeze the Clamp Handle to open and secure the Breezie™ onto the desired surface.

### Hook

Unclasp the Retractable Hook from the base to hang the Breezie™ from branches, poles, and more.

### Magnetic Base

The strong Magnetic Base will secure the Breezie™ to any magnetic and/or metallic surface.

### Keyhole Slots

For a more secure/permanent installation, install 2x screws or nails in a wall and mount the Breezie™ from the Keyhole Slots.

*\*Hanging hardware not included.*

## How to Turn the Fan On and Off

### A. Using the Remote:

1. Press the  Fan Button to turn on the fan.
2. Continue to press the  Fan Button to cycle through the fan modes.
3. Press the  Fan Button to turn off the fan.

### B. Using the Buttons on the Breezie™:

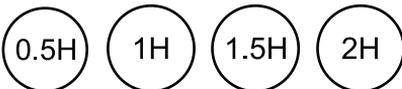

1. Press the  Fan Button to turn on the fan.
2. Continue to press the  Fan Button to cycle through the fan modes.
3. Press and hold the  Fan Button for 3 seconds to turn off the fan without cycling through the modes.

### FAN MODES:

- Low | Mid | High | Off

## How to Set the Fan Timer

1. Turn the fan on.
2. Using the Remote, choose between the following preset fan timers:
  - a. 30 minutes | 1 hour | 1.5 hours | 2 hours

3. The Breezie™ will automatically turn off after the allocated time duration.

## How to Turn Oscillation On and Off

### A. Using the Remote:

1. With the fan on, press the  120° Oscillation Button or  360° Oscillation Button to begin oscillating the fan.
2. Press the  Stop Oscillation Button to turn off the oscillation.

### B. Using the Buttons on the Breezie™:

1. With the fan on, press the  Oscillation Button to turn on the 120° oscillation.
2. Continue to press the  Oscillation Button to cycle to the 360° oscillation mode.
3. Press the  Oscillation Button a third time to turn off the oscillation.

### OSCILLATION MODES:

- 120° | 360° | Off

## How to Turn the LED Light On and Off

### A. Using the Remote:

1. Press the  Light Button to turn on the LED Ring Light on Low Mode.
2. Continue to press the  Light Button to turn on the LED Ring Light on High Mode.
3. Press the  Light Button a third time to turn the LED Ring Light off.

### B. Using the Buttons on the Breezie™:

1. Press the  Light Button to turn on the LED Ring Light on Low Mode.
2. Continue to press the  Light Button to turn on the LED Ring Light on High Mode.
3. Press the  Light Button a third time to turn the LED Ring Light off.

### LIGHT MODES:

- Low | High | Off

## How to Use the Aromatherapy Pads

1. Remove the Front Cover of the Breezie™ by rotating it counter-clockwise and pulling away from the body of the fan.
2. Add a few drops of a desired essential oil (not included) to a Foam Aromatherapy Pad.
3. Locate and remove the Aromatherapy Cover by rotating counter-clockwise and pulling away from the Front Cover.
4. Place the Foam Aromatherapy Pad within the Aromatherapy Insert on the inside Front Cover. Align the Aromatherapy Cover with the grooves and rotate clockwise to lock it in place.
5. Reconnect the Front Cover of the fan by aligning the tabs within the track and rotating clockwise to lock it in place.
6. Turn on the fan and enjoy the scent.
