

# QVC Customers – Register your Phigolf purchase on the Phigolf App to get your 6 Month Free Subscription for the WGT app.

**NOTE:** Before registering your Phigolf, please take a little time to use the Phigolf App and sensor/stick. A swing tutorial is provided the first time you use the Phigolf App.

Install the Phigolf game app on your iOS or Android device.

Search for “Phigolf” on your app store or use these QR codes.

Google play

iOS

## When ready, register your Phigolf to get your 6 Month WGT Subscription

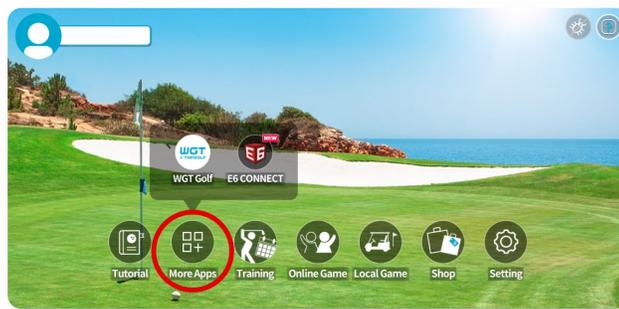

1. Start the Phigolf app.
2. If prompted, create a Phigolf account or login with an existing account.
3. Turn on the sensor by holding down the power button until it blinks RED once. The sensor will pair with the app.
4. On the main screen, touch **Settings > Game Options > Sensor**. Input your:
  - sensor’s serial number (listed on your sensor)
  - retailer from where you purchased (QVC)
  - QVC order # (on your packing slip)
