My SOS Family 1-Year Service

Need help? Tap the app and turn your Apple Watch into a personal safety device. Your contacts are instantly alerted by an S.O.S. emergency alert system. Contacts get a location link or can use Find My iPhone to track. It's the only system that calls and texts your emergency contacts who don't need apps, data, wifi - just any phone. Get peace of mind knowing help is readily available for you and your family.

RoboForm Everywhere Family Plan 1-Year Subscription

Now more than ever, in the age of daily, large-scale data breaches, everyone should protect their data from being stolen or compromised. There are a number of ways to store passwords, but none quite as simple and secure as RoboForm. Our end-to-end solution makes generating and organizing passwords simple; no more writing down passwords on sticky notes or using your dog's birthday. Powered by AES 256-bit encryption, RoboForm keeps your passwords accessible and safe across every device you use.
