

# MightyBoost™

Quick Start Guide

## WHAT'S INCLUDED

- (1) Limitless MightyBoost
- (1) Detachable Carrying Strap
- (1) 36" Type-C to USB Charging Cable

## COMPONENTS

- 1. Digital Battery Level Display
- 2. Carrying Strap Attachment Area
- 3. Type-C Charging Port (Input/Output)
- 4. USB Charging Ports (Output)
- 5. Flashlight Power Button
- 6. Flashlight

## HOW TO USE

### Getting Started

The MightyBoost will arrive with a partial charge. It is recommended to charge the battery to 100% before use.

### Checking the Battery Level

- 1. Press the Flashlight Power Button.
- 2. The current percentage level will display on the digital screen.
- 3. Double click the Flashlight Power Button to turn off the MightyBoost.

### Recharging the MightyBoost

Plug the included 36" Type-C to USB Charging Cable into the Type-C Input/Output Port and into the USB power source (not included).

### Using the Flashlight

Press and hold the Power Button for 2 seconds to turn the Flashlight on.

Single click to scan through the 4x modes, or press and hold the Power Button to shut-off the Flashlight.

### Using the Power Bank

To charge a device with the MightyBoost, simply connect the device to the MightyBoost using a compatible charging cable. The Green USB Ports indicate Quick Charge compatibility.

 *The Green Icon on the display indicates a Quick Charge compatible device has been connected to the MightyBoost. Please note, some devices may not be Quick Charge compatible on the MightyBoost at the fastest charge that can be accepted by the device.*

### FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

**WARNING:** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

## TECH SPECS

**Model:** LIM-MBST-XXX

**Capacity:** 10,000mAh

**Recharging Time (From 0%):**

Standard USB Adapter: 5-6 Hours

20W QC USB Adapter: 3-4 Hours

**Type-C Charging Input/Output:** 20W PD

5V/3A | 9V/2.22A | 12V/1.67A

**2x USB Charging Output:** 22.5W QC

5V/4.5A | 9V/2A | 12V/1.5A

**Temperature Range (Operation):**

32°-113°F (0°-45°C)

**Flashlight:** 25 Lumens

**Modes:** Low, Medium, High, S.O.S.

**Dimensions:** 3.06" x 2.87" x 1"

**Weight:** 0.42 lb

## SAFETY INFORMATION

By using the Limitless MightyBoost, you hereby agree that Limitless Innovations, Inc., an Illinois corporation and its affiliates (“Limitless”) shall have no liability for any losses associated with property damage, personal injury or loss of life that are incurred by you or by any third party in connection with or relating in any manner whatsoever to your use of the Limitless MightyBoost. By using the Limitless MightyBoost, you hereby agree at all times to comply fully with all safety warnings, operating instructions and general safety information in this user manual. By using the Limitless MightyBoost, you further agree to hold harmless Limitless, (and Limitless’ officers, directors, shareholders and employees) in connection with any losses sustained by you (including, without limitation, losses arising in whole or in part from property damage, personal injury or loss of life) relating in any manner whatsoever to your use of the Limitless MightyBoost.

## SAFETY WARNINGS

- Limitless MightyBoost is **NOT** a toy and should be kept away from children.
- Do **NOT** use the Limitless MightyBoost near a magnetic or electric field.
- Do **NOT** use the Limitless MightyBoost in direct sunlight or extreme heat for extended periods of time.
- Do **NOT** use the Limitless MightyBoost if it has been damaged and/or modified.
- Do **NOT** clean/subject the Limitless MightyBoost with harsh chemicals.
- Do **NOT** submerge the Limitless MightyBoost or its accessories in water.
- **CAUTION:** Risk of fire and burns. Do **NOT** open, crush, heat above 140° F (60° C) or incinerate. Follow manufacture’s instructions.
- Do **NOT** insert foreign objects into the openings or port of the Limitless MightyBoost.
- Do **NOT** charge the Limitless MightyBoost in high humidity conditions.
- Do **NOT** attempt to replace the battery as it is a non-serviceable part.
- Do **NOT** attempt to disassemble, repair, or open the Limitless MightyBoost or its accessories in any way.
- Do **NOT** paint or apply coatings to the Limitless MightyBoost as you might affect moving parts or damage internal components.
- Do **NOT** use third party power supplies or non-approved adapters with the Limitless MightyBoost.
- Batteries should be recycled or disposed of, as per state and local guidelines.
- Do **NOT** stare directly into the flashlight.
- **AIR TRAVEL:** You may carry the Limitless MightyBoost on an airplane. Do **NOT** travel with the MightyBoost in your checked baggage.
