

HP Printers - Ink Supplies Limited Warranty

This HP Limited Warranty is for original HP ink cartridges, customer-replaceable printheads, and cleaning and maintenance kits, and applies only to HP branded products sold or leased a) from HP Inc., its subsidiaries, affiliates, authorized resellers, authorized distributors, or country/region distributors; and b) with this Limited Warranty.

NOTE:

This warranty supersedes all previous warranties.

What this warranty covers

Each HP ink cartridge, customer-replaceable printhead, and cleaning and maintenance kit is warranted to be free from defects in materials and workmanship during the period of the warranty.

This warranty pertains to any HP ink cartridge, customer-replaceable printhead and cleaning and maintenance kit when used in its designated HP or authorized original equipment manufacturer (OEM) printing device. See the product manual for the printer to determine the correct ink cartridge and printhead selection.

For clarity, customer-replaceable printheads have latches which can be opened and closed to secure the part. Printheads that are not customer-replaceable are covered under a separate printer warranty.

What this warranty does not cover

This warranty does not cover HP ink cartridges, customer-replaceable printheads, or cleaning and maintenance kits that have been refilled, remanufactured, refurbished, misused, or tampered with.

If failure or damage to ink cartridges, customer-replaceable printheads, or cleaning and maintenance kits is attributable to the use of non-HP ink, a non-HP, expired or refilled ink cartridge, or to the use with a non-designated HP or unauthorized OEM printing device, HP is not responsible for the cost of replacement or refund of the purchase price.

How long the coverage lasts

The length of warranty coverage depends on the type of part.

Original Ink Cartridges - The coverage lasts until the HP ink is depleted or the "Warranty Ends" date has been reached, whichever occurs first.

Standard Printheads - For all customer-replaceable printheads, except the "Other Printheads" discussed below, the coverage lasts until the "Warranty Ends" date or the warranted usage limit has been reached, whichever occurs first. For standard printheads, the original printhead that came with the printer is covered under warranty until the warranted usage limit has been reached, or for 1 year from the date of printer purchase, whichever occurs first, even if the "Warranty Ends" date has passed.

Printhead Cleaning Kit cleaning rolls - Install before "Use By Date" printed on the product label, or the end of the cleaning roll is detected, whichever occurs first.

Printhead Cleaning Kit bottles and spittoons - until the reservoir is full.

HP 31, 32, GT52 and GT53 Ink Bottles - The coverage lasts until the bottle is opened or the "Warranty Ends" date has been reached, whichever occurs first.
