## 2.2K EMERGENCY POWER BANK

### Operating Instructions

PLEASE READ BEFORE OPERATING THIS EQUIPMENT

Improper use can result in potential electrical shock or fire hazards. Please read all safety precautions and operating instructions carefully before installation and use, and keep these instructions handy for future reference.

## READ ALL THE INSTRUCTIONS BEFORE USE

This product is compliant to CEC Standards (BC)

## SPECIFICATIONS

**Model:** HAL-PBK-0065, HAL-PBK-0066

**Dimension:** 3.71 in x 0.86 in x 0.83 in

**Weight:** 2.56 oz

**Battery Specifications:** Rechargeable lithium-ion battery 2200mAh - 3.6V - 7920Wh

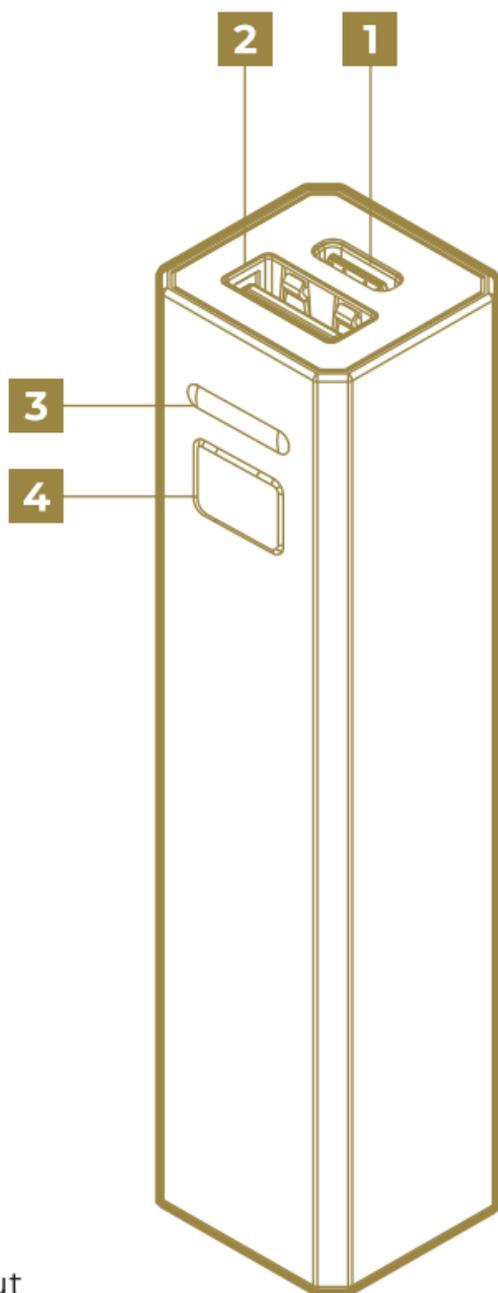

**Charge Time:** Approx. 3 hours

**Country of Origin:** China

## INCLUDED ITEMS

- 2.2K Emergency Power Bank
- USB-A to USB-C Cable

## HALO 2.2K EMERGENCY POWER BANK

- 1 | USB-C Input
- 2 | USB-A Output
- 3 | LED Indicator
- 4 | ON/OFF Button

## FIRST USE

It is recommended to fully charge the 2.2K Emergency Power Bank prior to first use and after extended periods of storage.

## OPERATING INSTRUCTIONS

Plug your charging cable into the USB-A port on the 2.2K emergency Power Bank.

Plug the other end of the charging cable into your device.

The power bank will automatically turn on when a device is connected to it. When OFF, pressing the ON/OFF button will turn the power bank ON. While ON, double pressing the ON/OFF button will force it to turn off.

Stop charging your device when the LED indicator begins flashing white.

## CHARGING

Plug USB-C charging cable into the USB-C port on the 2.2K emergency Power Bank.

Plug the other end of the charging cable into a power source.

While charging, the LED indicator will flash white.

Stop charging when the LED indicator turns solid white.

## SAFE BATTERY DISPOSAL

Never dispose batteries in the garbage. Disposal of batteries in the garbage is unlawful in the United States, under state and federal environmental laws and regulations. This symbol indicates that the equipment must NOT be thrown into general waste but should be collected separately and properly recycled under local regulations.

All rechargeable batteries will degrade over time, eventually limiting the battery's ability to retain a charge. This product contains a lithium-ion rechargeable battery, which must be disposed of properly when it will no longer retain charge.

## COMPLIANCE WITH FCC REGULATION

This device complies with part 15 of the FCC Rules and RSS-Gen of IC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: To comply with the limits of the Class B digital device, pursuant to Part 15 of the FCC Rules, this device must be used with certified peripherals and shielded cables. All peripherals must be shielded and grounded. Operation with non-certified peripherals or non-shielded cables may result in interference to radio or reception.

## **LIMITED WARRANTY**

At HALO, we are dedicated to making the best quality products. To back this up, this product is warranted. HALO warrants its products to be free from defects in material and workmanship under normal use. During the first 90 days from date of purchase, HALO will repair or replace the defective product. This warranty does not affect any statutory rights that you may be entitled to. Keep a copy of your purchase receipt as proof of purchase.

For all questions about the warranty or exchange requests, please call 1-800-255-6061.
