

LIMITLESS™

ChargeHub® Retract Wall Charger & Built-In Cable

Quick Start Guide

WHAT'S INCLUDED

- (1) ChargeHub® Retract with Built-In Type-C Cable
- (1) Type-C to Lightning® Adapter
- (1) Type-C to Micro Adapter

TECH SPECS

Model: LIM-CHTRCT-XXXX

AC Input: 110-240V | 50-60Hz | 0.5A

USB-A (Output): 5V/3A | 15W

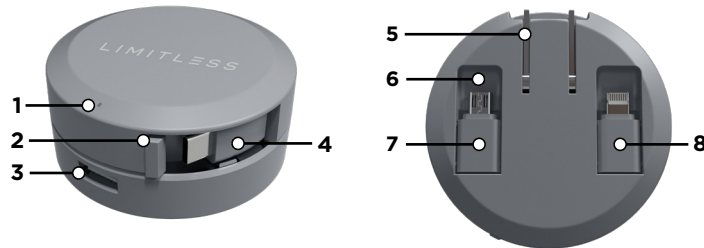

Retractable Type-C Cable: 36"

Dimensions: 2.625" x 2.625" x 1.25"

Weight: 3.00 oz (0.188 lbs)

COMPONENTS

1. Power Indicator Light
2. Cable Retract Button
3. USB-A Port (Output)
4. 36" Retractable Type-C Cable
5. Foldable AC Plug
6. Adapter Slots
7. Micro Adapter
8. Lightning® Adapter

USING THE DEVICE

Extend the AC Plug and connect to a wall outlet. The Power Indicator Light will illuminate.

Note: If the Power Indicator Light does not illuminate when plugged in, check the wall outlet and ensure it is receiving power.

Extending / Retracting the Type-C Cable

Pull the Type-C Cable to extend it to a desired length. Press and hold the Cable Retract Button to retract the cable. Ensure the cable is fully retracted to prevent damage or tangling.

Note: Do not overextend the cable. Doing so may damage the ChargeHub® Retract.

Using the Type-C Charging Cable

Extend the cable and connect the Type-C end to a compatible device. The device will begin to charge.

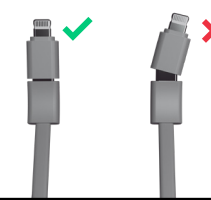

Using the Adapters

Select the adapter compatible with the device and connect to the Type-C end of the retractable cable. A click will sound when the Adapter is connected correctly.

WARNINGS

- The ChargeHub® Retract is **NOT** a toy and should be kept away from children.
- Do **NOT** use the ChargeHub® Retract near a magnetic or electric field.
- Do **NOT** use the ChargeHub® Retract if it has been damaged and/or modified.
- Do **NOT** submerge the ChargeHub® Retract or its accessories in water.
- Do **NOT** insert any foreign objects into the USB output port or joining terminals of the device. Short circuits may present risks of excessive heat, fire or explosion.
- Be cautious of drops, bumps, abrasions, or other impacts to the ChargeHub® Retract. If there is any damage to the device such as dents, punctures, tears, deformities, or corrosion due to any cause, discontinue use. Contact Limitless Innovations or dispose of it in accordance to state and local guidelines.
- Do **NOT** attempt to charge the ChargeHub® Retract using any method, apparatus, or connection other than the device's AC Plugs.
- Do **NOT** attempt to disassemble, repair, or open the ChargeHub® Retract or its accessories in any way.

- When charging a device, the ChargeHub® Retract may feel warm, this is a normal operating condition and should not be cause for concern.
- Do **NOT** subject the ChargeHub® Retract to harsh chemicals.
- All products have gone through a thorough quality assurance inspection. If you find that your ChargeHub® Retract is excessively hot, is emitting odor, is deformed, abraded, cut, or is experiencing or demonstrating an abnormal phenomenon, immediately stop all product use and contact Limitless Innovations.
- Do **NOT** paint or apply coatings to the ChargeHub® Retract as you might affect moving parts or damage internal components.
- Batteries should be recycled or disposed of, as per state and local guidelines.
- Do **NOT** apply excessive force on the ChargeHub® Retract or dropping it: By doing so, it may damage the internal components of the device, and risk short circuiting the device when used.

FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
